Rich Thompson

Managing Director, Americas & Global Leader -
Supply Chain & Logistics Solutions team for JLL

Rich Thompson is a recognized supply chain veteran with over 25 years of combined consulting and industry experience. Rich has experience working in the U.S., Europe, Africa, Asia and the Middle East, providing results for a wide range of clients across a number of industries. He specializes in supply chain strategy, transportation and distribution, network optimization, third party logistics and global logistics management.

His research work with The University of Chicago and The University of Tennessee as well as other articles have appeared in numerous industry journals including Supply Chain Management Review, Logistics Management, Supply & Demand Chain Executive, CSCMP Comment and The Journal of Commerce. He is a frequent speaker and panelist.

Craig S. Meyer, SIOR, FRICS

President, Industrial Brokerage – Americas

Craig Meyer is President of JLL's Logistics and Industrial Services Group for the Americas. Craig is responsible for the leadership, growth and management of the practice group across all the firm's business lines. During his tenure the U.S. Industrial Practice has grown by over 400%. The group consists of over 235 professionals in 50 cities with annual volume exceeding 2,500 transactions and 185 million square feet. Craig is a member of the firm's Brokerage Executive Committee and is Chairman of the firm's Global Industrial Board.

Wick Udy

Vice President, Industrial & Logistics Salt Lake City

Wick Udy's team was the top Industrial transaction team from 2004-2013. Wick has been involved in more than 700 transactions, representing clients in the acquisition or disposition of over 4.5 million square feet of facilities, 1,200 acres of land, with a cumulative value exceeding \$700 million. Wick is an active member in NAIOP, Utah Economic Alliance for Economic Development and Salt Lake City Chamber – Transportation and Energy.

Carroll Morale

Vice President, Logistics and Customer Care, Overstock.com

Carroll Morale is the Vice President of Logistics and Customer Care at Overstock.com. Prior to this role, Carroll had a career spanning a total of 29.5 years at the United Parcel Service (UPS). While there he worked in numerous areas including: Industries Engineering, Human Resources, Operational Excellence and as a District Operations Manager.

After retiring for approximately two years, he joined the Overstock.com team in 2003 as an operational consultant and went to full-time status in May 2005. He served as the Manager of Reverse Logistics then shortly after became the Director of Operations. Carroll was then promoted to the Vice President of Logistics in which he is responsible for ensuring all operations at the warehouse run smoothly.
